Dear Sir or Madam,

We are writing to you in hopes of your support for the **Jerry D'Amato Charity Foundation, Inc.** We started this foundation in honor of a great person and my father, Gerard D'Amato who passed away four years ago with Esophageal Cancer. He was only 50 years old.

My family and I run a golf outing, to be held on Monday, June 14th, 2010 at the Minisceongo Golf Club in Pomona, NY. We are looking for local donations for support. The proceeds will be donated to Johns Hopkins Esophageal Cancer Research Center. In 2009, we donated \$23,000.00 toward this event and to date, we have donated over \$80,000. In 2010, we are hoping to double it!

This is a wonderful event that we hope, one day will have a cure for such a horrible disease. We hope you & your organization will be able to contribute to such a worthy cause. If for any reason you need to reach me, please call me at 845-558-7436.

Thanks so much,

Melinda Spataro

About Jerry

Jerry was a man whose life was cut short by Esophageal Cancer.

To some of us Jerry was our son, father, brother or business partner, but to all of us he was a great friend. How do we introduce Jerry to you? He was a successful businessman who always demanded the most of himself. This can be said in all aspects of his life. He was a wonderful father who raised 3 children and enjoyed spending time with his grandchildren. He was a terrific son who provided for his mother and treated her very well. As a brother he was always a shoulder to lean on. He was there when he was needed without fail. We couldn't help him conquer this disease and it broke our hearts.

Jerry was a wonderful person who is sorely missed by all who knew him. He was diagnosed with this terrible disease, *Esophageal Cancer*; in November of 2004. He suffered through radiation treatments, chemotherapy and surgery.

We were sad to report that on July 25, 2005 he lost the battle, which is the reason for this event. We do not want anyone to have to suffer the way he did. We would like to help prevent any family from the misery we felt during this illness as well as today. In a spirit of hope to others facing this devastating disease and as a tribute to the great person Jerry was, all net proceeds from this event will be donated to esophageal cancer research in Jerry's name. Please help make this a success by joining us and/or making a donation to the Jerry D'Amato Charity Foundation. We promise an enjoyable day!

About the course

At the challenging Minisceongo Golf Club you will enjoy spectacular golf steeped in history. Included on the course are original old stone water towers as well as a cemetery dating back to the 1700's. Combined with the picturesque scenery these add a unique flavor to the course's superb layout. For the non-golfers, tennis courts and a pool will be available to enjoy.
